NAVITAP

DAILY TICKET VALID ON ALL SCHEDULED FERRY ROUTES

Board the ferry directly

Tap your Contactless payment card from Visa, Visa Electron, VPay, Mastercard, or Maestro, or use a virtual card stored in a digital wallet (Google Pay, Apple Pay, Samsung Pay, etc.) on a smartphone or smart device. Tap the onboard validator located near the entry points both when boarding and disembarking.

Your card or device is your ticket - no confirmation messages or paper receipts are required.

In case of ticket inspection, simply present your payment card or smart device to the staff.

The fare charged corresponds to an ADULT daily ticket, valid for the fare zone travelled through.

Minimum fare charged: 20,60 EUR per passenger, depending on the route and fare zone, according to fare charts available onboard and at the ticket offices.

You can purchase up to 5 tickets with the same card by **tapping once per passenger on the same validator within 60 seconds from the first TAP.**
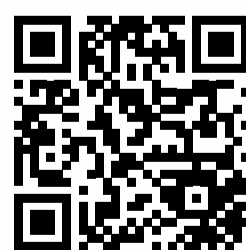

Scan the QR code access the Passenger Portal, where - after registration - you can view your ticket history.
