

# NAVI TAP

## YOUR CARD, YOUR DAILY TICKET!

Remember to always tap out  
when disembarking

### Board the ferry directly!

Tap your Contactless payment card from Visa, Visa Electron, VPay, Mastercard, or Maestro, or use a virtual card stored in a digital wallet (Google Pay, Apple Pay, Samsung Pay, etc.) on a smartphone or smart device. Tap the onboard validator located near the entry points both when boarding and disembarking.

**Your card or device is your ticket - no confirmation messages or receipts are required.**

In case of inspection, simply show your payment card or smartphone to the ticket control staff.

The fare charged corresponds to an **ADULT daily ticket**, valid for the fare zone travelled through; Discounts or reduced fares are not applicable.

You can purchase up to 5 tickets with the same card or device, by tapping once per passenger on the same validator.

Minimum fare charged is 23,50 EUR per passenger, depending on the route and fare zone, according to fare charts available onboard and at the ticket offices.

**If you fail to validate your card during disembarkation or during any boarding after the first, or if you tap on a fast service (SR, marked in red on the timetable), the full-network daily fare of €39.50 will be charged to each passenger.**

Scan the QR code to access the NAVITap Transaction Portal.

Once registered, you can view your tickets, payment history and registered bank cards
